IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.54913 of 2007
SUBHASH PASWAN & ANR
Versus
THE STATE OF BIHAR

3/ 01.05.2008 Heard.

An un-natural death occurred. The same was not reported to the law keepers, nor any postmortem was done, the dead body was disposed of. In paragraphs 5, 6 and 21 of the case diary, it has come from the near relatives of the deceased that the illicit relation ship of the deceased came to be known and as a sequel thereto, the deceased committed suicide. Such a statement given by the father of the deceased cannot absolve the persons associated with the disposal of the dead body from the charge of murder. Petitioners contend that they are the elder brother-in-law and sister-in-law of the deceased and they are separated from the family of the husband of the deceased and stayed a part in Uttar Pradesh. However, there is no whisper in the body of the petition that at or around the time of disposal of the dead body, they were away at Uttar Pradesh.

In the circumstances, no case for grant of anticipatory bail has been made out. The application fails and the same is dismissed.
